

W.E.R.E. Thanksgiving Drive

This year W.E.R.E. students and families are being asked to help those in need. We are adopting 10 local families through the Family Resource Center and providing them a Thanksgiving dinner. The turkeys have all been donated. Please send in the items requested on November 2nd or 9th. The items will be prepared for distribution to the families on the 9th.

To help prepare the homeless for the cold we are asking for donations of socks, hats, and gloves. Please send in these items on November 2nd or 9th or bring them to the Advent Service which takes place on November 16th. Thank you for blessing others through your generosity!
